

## Food Distributors & Manufacturers

Today's food distributors and manufacturers are smarter, leaner and more nimble than ever. However, keeping up with innovations and regulations while achieving business goals and planning for new growth can be complicated and overwhelming. We understand your vital role in commerce and are here to help.

### FOOD DISTRIBUTORS AND MANUFACTURERS EXPERTS

O'Connor & Drew, P.C. has been working with food distributors and manufacturers for over 30 years. Many businesses — from multinational food and beverage manufacturers to distributors, food and beverage retailers and restaurants — rely on our guidance. O'Connor & Drew can deliver solutions designed to promote growth and create value for your various stakeholders and, most importantly, your consumers.

*Our Food Distribution and Manufacturing professionals provide services in the following areas:*

- Audit
- Budget & Variance Analysis
- Multi-State Tax Filings
- Strategic Tax Planning and Compliance
- Compensation and Benefits Planning
- Cost Segregation Studies
- Overhead Rate Analysis
- Research & Development Studies
- Merger & Acquisition Assistance
- Internal Controls Review

- Financing Feasibility Assistance

### COMMITTED. PROACTIVE. RESPONSIVE.

O'Connor & Drew is committed to staying on top of the latest developments in the food distribution and manufacturing industries and can bring you sought-after insights and perspectives. O'Connor & Drew is frequently involved in conducting webinars, presentations at conferences and events, writing articles for publications, and demonstrating our overall leadership and know-how of the food distribution and manufacturing industries. Through emails, alerts and bulletins, O'Connor & Drew provides critical information and offers best practices to its clients that may impact their business in a timely manner.

O'Connor & Drew is committed to providing first-rate proactive services based on each company's complex needs. All client engagements are closely supervised by one of our partners-in-charge who has the sophisticated knowledge and the in-depth understanding of food distributors and manufacturers. Partners work with a highly-experienced and well-trained team of audit, tax and business consulting professionals also specializing in food distribution and manufacturing.
