

The ups and downs in economic conditions, interest rates, taxes and credit can affect the business decisions you make today — for years, even decades, to come. Real estate companies understand that meeting growth objectives requires specialized financial, accounting, tax and business operations expertise. With such inherent risks involved, O'Connor & Drew knows how to help leverage new opportunities and mitigate the pitfalls that may arise.

REAL ESTATE EXPERTS

For decades, O'Connor & Drew has provided financial guidance, tax advice and management support services to real estate companies of all sizes. We provide clear analysis and recommendations on issues such as:

- Conducting pre-purchase due diligence
- Structuring your purchase
- Reviewing financial alternatives and sources
- Ensuring maximization of cash flow
- Assisting in strategic tax planning
- Advising you of project feasibility
- Reviewing potential tax credits and deductions
- Determining valuation
- Advising on 1031 exchanges of "like-kind" investment property
- Ensuring maximization of depreciation deductions
- Conducting qualified cost segregation studies

PROFESSIONAL, PROACTIVE, PRECISE.

O'Connor & Drew is frequently involved in conducting webinars, presentations at conferences and events, writing articles for publications, and demonstrating our overall leadership and know-how of the real estate industry. Through emails, alerts and bulletins, O'Connor & Drew provides critical information and offers best practices to its real estate clients that may impact their business in a timely manner.

O'Connor & Drew is committed to providing first-rate proactive services based on each real estate companies' complex needs. All real estate engagements are closely supervised by one of our partners-in-charge who has the sophisticated knowledge and the in-depth understanding of the real estate industry. Partners work with a highly experienced and well-trained team of audit, tax, and business consulting professionals also specializing in real estate.
