

ACCOUNTING, TAX, AND CONSULTING SERVICES FOR YOUR INDUSTRY, YOUR BUSINESS, AND TO YOUR UNIQUE CIRCUMSTANCES

In today's tough, competitive retail environment, it's important for business owners to understand and maintain their financial operations flawlessly. O'Connor & Drew, P.C. has several medium and large privately-held retail clients with whom we have had a long-standing relationship. We combine our knowledge of retail markets and retail industry experience to provide valued financial advice to clients operating retail businesses.

Managing vast amounts of customer data can be difficult, from marketing to the right demographic to understanding key financial and technology trends. We have experience advising clients on inventory management and critical internal controls to aid against potential fraud and misappropriation of finances.

Whether it's auditing, tax planning, an IT assessment or employee benefit plans, we understand your business and financial needs. And, we have the "know-how" and experience to solve your issues.

PROFESSIONAL, PROACTIVE, PRECISE.

O'Connor & Drew, P.C. has built a highly-experienced, diversified team of accounting, tax and business consulting professionals to serve the needs of our clients. We know that each industry sector and each individual client has a unique set of issues and concerns. At O'Connor & Drew, P.C., we know the importance of having the industry knowledge and expertise within each service line. After all, it would make no sense to try to apply the same formulas and thinking to a not-for-profit organization as it would to a law firm or an automobile dealership.

Our clients are manufacturers, retailers, food distributors, law firms, automobile dealerships, colleges and universities, and not-for-profit organizations. Combining the specialized industry knowledge and technical expertise of our professionals, O'Connor & Drew, P.C. knows the difficult challenges our clients face every day.
