Kevin J. Carnes Principal, CPA, CVA

Kevin has more than 25 years of experience in public accounting. He is the Principal-In-Charge of our Auto Dealership Practice which services over 300 dealerships. Widely regarded as an expert in the Automobile Dealership Industry, Kevin truly understands the uniqueness of the business and systematically addresses each component to increase profitability and sustainability. Kevin has worked to develop internal audit procedures geared towards creating lean organizations that maximize profits and minimize non-essential resources across various different industries including: automobile dealerships, not-for-profit organizations, government entities and closely-held businesses.

Kevin is a Certified Valuation Analyst through NACVA and has published numerous articles for various trade publications.
